

Central Nervous System (CNS) chemical libraries

Modulators of proliferation and differentiators of stem cells
Transporter inhibitors library
GABA (A) library
mGluR ligands
Citokine library
HDAC library
HSP90 library
K⁺ channels library
GSK3b library
Methyltransferase inhibitors library
MK2 inhibitors library
Na⁺ channels library
nAChR library
PDZ library
Phosphatases library
Purinergic library
Secretase library
Serine/Cysteine Proteases inhibitors library
GPCR platform set
Ion Channels platform set
Kinases platform set
Signaling and developmental pathway modulators
Peptidomimetics
Natural-like
